**Leleu Kinimaka Signature Series**

Leleu is one of the traditional leaders of the Hawaiian archipelago. Hearing how the Polynesian ancestors used their skills (apa!)  
One of one of the most traditional surfaces of 'Waikiki' Leleu grew up seeing the Beach Boys and the strong presence of Uncle Duke Kahanamoku. A life surrounded by the ocean, music, hula, surf and more, handmaking paddles and surfboards as hundreds of years ago. Full of good energy and mana.  
Leleu Kinimaka is a bridge between Polynesian ancestors, knowledge and what's best in terms of technology and performance these days.  
Art in Surf is proud to have Leleu's signature limited edition paddles in our line-up.

**SHUBU SPORT | 10'6" | NEW**

SUPs are made of extremely durable military grade, UV resistant rubber, and can take just about anything you can throw at them. Excellent for cruising, recreational surfing, touring, running rivers, or just goofing around, the SHUBU is extremely versatile and fun is guaranteed!  
• Inflates to 14-18 PSI.

**SHUBU | 9'6" & 10'6" | UPGRADED**

The SHUBU 9'6" and 10'6" inflatable SUPs are the perfect choice for those looking for more performance in a single chamber inflatable. These boards are the perfect choice for cruising, recreational surfing, river running, and family paddling.  
• Inflates to 14-18 PSI.

**SHUBU X ROCKET | 11'6" | NEW**

Introducing the SHUBU X Rocket, BOARDWORKS' new fitness, racing and all-around touring SUP. Based off our Eradicator race boards, the X Rocket has a sleek outline with added width in the mid and tail section for extra stability. This is a great choice for those looking for a fast, stable, go-anywhere race trainer or fitness/touring SUP with premium features.  
• Inflates to 14-18 PSI.

**MUSE | 10'2" | NEW**

BOARDWORKS is proud to introduce the new Muse Inflatable SUP designed specifically for women. This board features unique, inspiring graphics and is constructed with new lightweight, ultra stiff 5" thick drop-stitch material making it easy to carry and transport. At 10'2" long and 31" wide, the Muse is a great all-around cruising and fitness board that works great for SUP yoga as well.  
• Inflates to 14-18 PSI.

**RAVEN | 12'6" | UPGRADED**

The highly popular Raven inflatable just got better! Inspired by our award winning Raven hardboard model, the Raven Inflatable SUPs are constructed with super durable, extra light, extra rigid 6" drop-stitch material. Designed with the same outline as the Raven hardboard with a tuned up rocker, this is the perfect inflatable SUP for touring, fitness paddling, racing, river running, and all around cruising. This year we upgraded this model with new graphics, AIR7 fin system and a premium pad.  
• Inflates to 14-18 PSI.

**MCIT | 9'0" & 10'6"**

Due to its unique design, the MCIT has proven itself as the most stable, rigid and versatile inflatable stand up paddleboard on the market. This is the perfect board for paddling in a variety of conditions from flat-water to whitewater, for people of all abilities.  
• Inflates to 14-18 PSI.

**BADFISHER | 11'0"**

The Badfisher takes the proven stability and maneuverability of the MCIT and adds custom features that meet the needs of the growing population of SUP based fishermen. This is the ultimate adventure fishing platform to explore local waters or travel to places inaccessible to most fishing craft.  
• Inflates to 14-18 PSI.
